

Say good-bye to storing processed paper checks

# Say hello to Check Imaging

Switch from Check Return to Check Imaging for more efficient check record keeping.

It's smart and it's FREE

- A **new option** available with many of our checking accounts.
- Receive **scanned images** of your checks with your monthly statements instead of the physical checks.
- **No need to store** bulky checks and deposit slips.
- Easily balance your account with check images that are sorted in **numerical order**.
- Request **copies of check images** from the bank which are digitally stored for 7 full years. (Up to 3 free copies per statement cycle.)
- **View online** check images and deposit slips if you are enrolled for online banking.

**Contact your local branch of account to sign up for Check Imaging – today!**

# Smart Solutions

provided by  
California Bank & Trust.

At California Bank & Trust we're always looking for ways to provide our customers with rewarding banking relationships. This includes offering expanded product options and innovative technology, such as **Check Imaging** and our newest online banking feature, **eStatements**. Both allow convenient access to and management of your banking account information.

For more information about eStatements, contact your branch of account or visit our online news bulletin at [www.calbanktrust.com/info](http://www.calbanktrust.com/info).

CALIFORNIA BANK  
TRUST

*Check Imaging is available on all personal and business checking accounts except for Basic Checking and Cost Saver Checking.*
