# eStatements now available!

## Attention Online Banking customers!

Now you also get your statements electronically with eStatements. It contains all the same information as printed statements... without the paper.

**Fast.** You get an e-mail notification from us as soon as your statement is available.

**Safe.** Online statements are password protected and encrypted on our secure online banking platform.

**Easy.** eStatements are in PDF format and can be saved and printed out when you need them.

**Green.** Customers can opt out of receiving paper statements when logged into Online Banking.

**Log onto your Online Banking account today to view your eStatements. Simply select the new "eStatements" link under the "Accounts" tab.**

If eStatements sound good to you and you're not an Online Banking customer, get sign-up instructions today at [www.calbanktrust.com](http://www.calbanktrust.com).
