**CALIFORNIA BANK & TRUST OPENS BRAND NEW BRANCH IN THE CITY OF ROSEVILLE**

**Sacramento** - New branch and strong management team demonstrates the bank's commitment to serving the Sacramento area

SACRAMENTO - California Bank & Trust (CB&T) ([www.calbanktrust.com](http://www.calbanktrust.com)) is pleased to announce that the community-based bank has opened a new branch in the Northern California city of Roseville.

Growth in the area will be directed by a very talented and experienced management team lead by the Regional Manager, Gene Marcucci Bell who was recently appointed Senior Vice President and Regional Manager for the Sacramento Region of California Bank & Trust. Bell has assembled a management team that is committed to serving the banking needs of Roseville, and surrounding communities. The entire team brings a wealth of banking experience to the new branch located at 925 Highland Point in Roseville.

Bell is a highly experienced banking professional who has over 35 years in financial institution management and leadership, most recently serving as Senior Lender with Exchange Bank, a \$1.6 billion California Banking corporation. Before that, she served as Executive Vice President and Director of Retail Banking of Humboldt Bancorp, a \$1.5 billion dollar banking corporation, prior to the bank's acquisition by Umpqua Bancorp.

Bell was brought up and educated in Toronto and Montreal. She was relocated to Los Angeles in 1982, as a Corporate Lender in the World Corporate Banking Division, after working internationally for the Royal Bank of Canada for seventeen years. She has received many accolades throughout her career and was named a Chairwoman of the Steering Committee for the acquisition of Feather River State Bank while at Humboldt Bancorp. Bell was also the first female in a Canadian bank history to lead audit teams worldwide for the Royal Bank of Canada.

Bell has been actively involved in community volunteerism for many years and currently serves on the Board of Directors of Roseville Arts, a nonprofit providing art education to the community; on the Board of Directors of the CSUC Capital Crew, a sports nonprofit; and on the Board of Trustees of the California Northstate College of Pharmacy, a Sacramento college offering a Ph.D in pharmacology.

In addition to Bell, Doris Manning will serve as the California Bank & Trust Roseville Vice President, Branch Manager. Manning, a lifetime Northern California resident, brings 35 years of banking experience. She has extensive knowledge of consumer, business, retail and commercial banking. Manning previously held positions at Wells Fargo Bank where she worked for 12 years, before spending the next 17 years at Exchange Bank, in Sonoma County. In 2002, she relocated to Sacramento County and opened River City Bank's Laguna Office. In 2006, Manning rejoined Exchange Bank as the Premier Banking Officer in Roseville where she worked closely with Tammy Nordeen and Matthew Anker. Nordeen and Anker have now joined her at the new California Bank & Trust, Roseville branch. Manning is also a member of the Rocklin and Roseville Chambers of Commerce and volunteers for Friends of Placer County Animal Shelter.

"I am pleased and excited to be involved in the growth of California Bank & Trust in Placer County." said Manning. "I look forward to working with the citizens and businesses in Roseville and surrounding communities. I am bringing a solid, committed team to the new branch. I look forward to showcasing the many benefits of a strong, community-based bank who want the stability of CB&T and its parent company Zions Bancorporation."

Nordeen began her banking career in 1990, as a Customer Service Representative at Exchange Bank in Sonoma County. She held numerous positions before moving to Sacramento County where she was recruited by River City Bank as a Financial Services Representative. Nordeen then moved to Safe Credit Union as a Senior Account Service Representative. In 2006, she rejoined Manning at Exchange Bank, helping to establish the then new Roseville and Rocklin branches. She will serve as the Customer Service Manager at CB&T's new Roseville branch.

Anker, who also is joining CB&T from Exchange Bank, will serve as the Financial Service Representative. Prior to joining California Bank & Trust, Anker worked as a Personal Banking Representative for both River City Bank and Exchange Bank. Anker is held in high regard by his customers for his excellent customer service. Anker has a bachelor's degree in business administration with a concentration in finance from California State University Sacramento.

The new Roseville CB&T branch will be located at 925 Highland Point in Roseville and will open on December 15th.
