California Bank & Trust has completed the conversion of the former Vineyard Bank accounts and branch locations into California Bank & Trust.

More than 31,000 loan and deposit accounts have been fully integrated into the California Bank & Trust banking system. California Bank & Trust acquired the deposits and loans of Vineyard Bank from the Federal Deposit Insurance Corp. on July 17.

In addition to the 13 new full-service branches now available as a result of the conversion, former Vineyard Bank business customers will now have access to products like California Bank & Trust's remote deposit, which enables a business to scan paper checks directly from the office and transmit those images to the bank via a secure internet connection.

With the completion of the Vineyard Bank conversion, California Bank & Trust now has 113 branches within the state of California, which include newly converted branches in San Rafael, Rancho Cucamonga, Diamond Bar, La Verne, Corona, Irwindale, Chino, San Dimas, Lake Arrowhead, Covina, Upland, Walnut and Crestline.
