

Go paperless and stress less.

Monthly eStatements is faster, better, and greener.

These days, few people have the time to wait for paper statements to arrive in the mailbox every month, much less file and store hard copies. With paperless eStatements for your California Bank & Trust (CB&T) accounts, you can enjoy more convenience, increased security, and less stress.

- eStatements is free with online banking.
- Automatically receive an email when your eStatement is ready to view.
- Enjoy less clutter and more convenience in managing your account records.
- Reduce your risk of identity theft through mail fraud.
- Viewing eStatements online is safe, secure and password-protected.

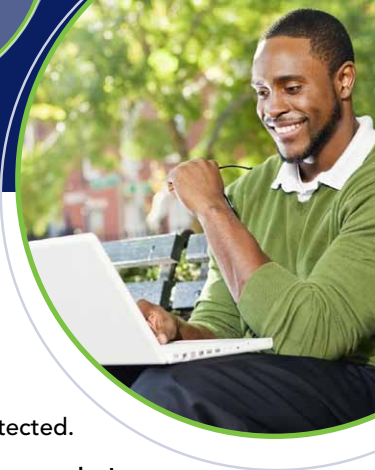

If you're already a CB&T online banking customer, instantly view your eStatements and opt out of paper statements today!

Simply log in and click on the "eStatements" link in the menu. To sign up for online banking visit www.calbanktrust.com.

(800) 355-0512

For eStatements, customers must be enrolled in Online Banking. eStatements are free to eligible online banking customers. A CB&T personal or business checking account is required. No application is required. See a branch representative for more details on eStatements for Online Banking. Other terms and conditions apply.
